

Mr. Man In the Moon

[Patty Loveless](#)

Mr. Man in the moon
Are you really blue
Are you shedding a tear
While you shine
If you feel like I do
Mr. Man in the moon
Then your heart must be
Broken like mineAre you lonesome
There's not a star in sight
Well I'll be right here
We're both up for the nightMr. Man in the moon
Are you really blue
Are you shedding a tear
While you shine
If you feel like I do
Mr. Man in the moon
Then your heart must be
Broken up like mineTo the whole world
You show a smiling face
I feel like the dark side
That you hide away
