

Everybody Look

Sammie Okposo

Ah ah

Common God's people

Let's praise

Everybody look and see what the Lord has done for
me(Everybody look and see what the Lord has done for me)

Everybody look at me and tell me what you see...

God's goodness and mercy all is all over me

He has turn turn my mourning into dancing and singing

He gave me a brand new song

So I can sing...

Everybody look and see what the Lord has done for
me(Everybody look and see what the Lord has done for me)

Everybody look at me and tell me what you see...

God's goodness and mercy all is all over me

He has turn turn my mourning into dancing and singing

He gave me a brand new song

So I can sing...

Always

Everybody look and see what the Lord has done for
me(Everybody look and see what the Lord has done for me)
