

There's No Me Without You

Khemistry

There's no me without you
There's no meaning to life without you
Tell me, why should I care 'bout doing my hair
When I can't stop the thinking about you?
There's no moon without you
There's no Saturday nights without you
There's no walk through the park
No beat in my heart
No I love you, no I can't live without you
You told me everything would be cool
Said, I wouldn't always feel blue
How come I feel like a wreck?
How come the skies are all gray?
How come my eyes are all red?
Why am I alone in bed, baby?
You told me everything would be fine
Why am I losing my mind?
How come I feel like the fool?
Why do I keep losing you?
Why do I love in despair
When you're not there?
There's no me without you
There's no meaning to life without you
Tell me, why should I care 'bout doing my hair
When I can't stop the thinking about you?
There's no moon without you

There's no Saturday nights without you
There's no walk through the park
No beat in my heart
No I love you, no I can't live without you
So blue for you
So deep in love with you
So hard to say bye-bye
When you know how hard I've tried
I, I, I tried baby
No no no
You told me everything would be fine
Why am I losing my mind?

How come I feel like a fool
Why do I keep losing you?
Why do I love in despair
When you're not there?
There's no me without you
There's no meaning to life without you
Tell me, why should I care 'bout doing my hair
When I can't stop the thinking about you?
There's no moon without you
There's no Saturday nights without you
There's no walk through the park
No beat in my heart
No I love you, no I can't live without you
