

The Dress

The Dudes

You say you love me girl,
Well I think I love you too
Say that you mean it and ill pretend I did too
You say you want to be alone with me
But I feel alone with you
So whos coming home with me
Tonight, ok, alright, ok, alright, ok
Im out of my mind
Your wearing that dress, oh my chest hurts,
So___ I cant handle it
I aint no designers girl,
But Ive got the designs to do
The craziest shit tonight
When I get that dress of you
You say you got to get to know me first
First thing I think your cool
Second I like to rock
And three can I see you with me
Tonight, ok, alright, ok
Im out of my mind
Your wearing that dress
Oh my chest hurts
So _____ I cant handle it
So who wanna get some lovin
Who wanna get some love
So whos coming home with me
Tonight, ok, alright, ok, alright
Im out of my mind
Your wearing that dress oh my chest hurts
So_____ I cant handle it
