

# Take It from Here

## Justin Timberlake

Sometimes (mmm)

Sometimes the world gets hard

    Oh na na na

I'm gonna take it from here girl

    Don't you worry

I want to be your lake, or your bay

And any problems that you have

    I want to wash 'em away

    I want to be your sky

        So blue and high

And every time you think of me

    I want to blow your mind

    I want to be your air

        So sweet and fair

So when you feel that you can't breathe

    Ma, I'll be there

I want to be your answer, all the time

When you see how I put your life before mine

    With no question

When all the love feels gone

    And you can't carry on

        Don't worry, girl

    I'm a take it from here

Just as sure as the sun will shine

    Every morning, every time

        Don't worry, girl

    I'm a take it from here

I want to hold your hands

    Review all your plans

I want to make sure everyone of your dreams is there

    I would be your Broadway show on review

So I can act out how God was when he made you

    I want to be your lighthouse when you get lost

I'll light a bright and shiny path to help you across

    I want to be your mother, wait

See what I see  
And when you see that can't nobody hold you like me  
'Cause I love you

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'm a take it from here  
Just as sure as the sun will shine  
Every morning, every time  
Don't worry, girl (no no)  
I'm a take it from here

And when there's no one there to hold  
And you realize the world is cold  
Don't worry, girl  
I'm a take it from here  
That's what I'm gonna do  
Just as sure as the sun will shine  
Every morning, every time  
(Don't you worry, baby)  
Don't worry, girl  
I'm a take it from here

Give me one reason why we should not be leaving  
This world is so deceiving, the time is now  
Let's fly away speeding  
Through the Garden of Eden  
Where all the sweet breathing of love surrounds

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'm a take it from here  
Just as sure as the sun will shine  
Every morning, every time  
Don't worry, girl (no no)  
I'm a take it from here

Give me one reason  
Why we should not be leaving  
This world is so deceiving  
The time is now  
Lets fly away speeding  
(We'll fly away)

Through the Garden of Eden  
Where all the sweet and breathing  
Of love surrounds

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'm-a take it from here  
Just as sure as the sun will shine  
Every morning, every time  
Don't worry, girl  
I'm-a take it from here

Love ain't always the way they write in books  
(No, no)  
See there's the good guys  
And also heartbreak crooks  
Your hearts the real one  
Just take a look inside  
'Cause it's a colorful illustrated guide

So there you go  
Don't worry  
To help you weather the storm  
I'll be there Mami  
No matter what time  
No matter what place  
You can always count on me  
I'll take it from here
