Love's Theme (Automator mix)

Pizzicato Five

KISS
in front of the mirror
I whisper
softlyKISS
when I think of
tonight's kiss
my heart
throbs
a littlethe beginning of a new love
is getting closer
gets you out of breath
and rushes
to catch youa new lipstick
what colour
goes with
my new boyfriend?
pink and purple
pearl and orange?KISS
once again
in front of
the mirror
I whisper
softlythis has to be
love's theme
this year's
love's theme
sweet sweet
love's theme
our
love's themeKISS
this summer
I'll be going on holyday
with my new boyfriend
my heart throbs a littleinside the small bag
a small camera
a notebook
and colour pencilspink and purple
pearl and orange
gotta buy new sunglasses

new sandals
and a new
bathing suitlet's go on a jetplane
the two of us
first class
let's go ingonito
somewhere for a whilethis has to be
love's theme
this year's
love theme
sweet sweet
love theme
our own
love theme
