

Dark Road

Floyd Jones

Oh-oh, I canâ€™t go down, this dark road by myself,
This dark road by myself.

Gonna be early in the morninâ€™, ooh-ooh
Gonna be early in the morninâ€™, ooh-ooh
Gonna get somebody new.

Oh-oh, my mother died and left me,
When I was quite young, when I was quite young.

She said, Lord have mercy, ooh-ooh
She said, Lord have mercy, ooh-ooh
Oh-oh, on my wicked son.

Whoa, stop the train conductor,
Conductor let me ride,
Let the big boy ride, let the big boy ride.

You have to buy your ticket, ooh-ooh
You have to buy your ticket, ooh-ooh
Son, the train ainâ€™t runninâ€™

Oh-oh, then I started walkinâ€™
Down that, lonesome road
I started walkinâ€™
down that, lonesome road

Donâ€™t you hear me cryin?

Itâ€™s gonna be early in the morning, ooh-ooh
Itâ€™s gonna be early in the morning, ooh-ooh
Before you see me go.
