

Saved a Boyfriend

Alexa Ferr

I saved a boyfriend for a rainy day
And another, in case it didn't rain
You just drive me so insane
And you just make me so crazy And you do it, do it so well
From the kiss, no one I didn't tell (Oh)
And you do it, do it so well
From the kiss, no one I didn't tell (Oh) But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day
I saved a boyfriend for a rainy day
And another, just in case he didn't change
Something in the milk ain't even clean
And you already know just what I mean And you do it, do it so well
From the kiss, no one I didn't tell (Oh)
And you do it, do it so well
From the kiss, no one I didn't tell (Oh) But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day
And I saved him just for you
For all the s you put me through
For all the times I walked away
For all the times I wished you say
That you, you, you
You, you, you
Loved Me But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day But, I can't help that I love you
But, I can't help that I love you
But, I can't help that I love you
I saved a boyfriend for a rainy day
