

# Little Man

## Sonny & Cher

Little man  
When you stand by my side  
Then I know I don't have  
To hide from anyone And I pray that  
We'll stay just that way  
Till the day comes along  
When we catch the sun Little girl, you're runnin'  
Come catch my hand, I'm near you  
Little girl, you're singin'  
Come close to me, I hear you You're growin' old  
My mother's cold  
Now it's time that you learned  
What it meant to be mature There's no such place  
As make believe  
But when I look at your face  
I'm not so sure Little girl, you're runnin'  
Come catch my hand, I'm near you  
Little girl, you're singin'  
Come close to me, I hear you You and me is what I see  
And that's the way  
It's gonna stay  
And it will always be So little man  
Please understand  
That in this world with all its land  
You're all I see Little girl, you're runnin'  
Come catch my hand, I'm near you  
Little girl, you're singin'  
Come close to me, I hear you Little girl, you're runnin'  
Come catch my hand, I'm near you  
Little girl, you're singin'  
Come close to me, I hear you
