

This Side of Paradise

Hayley Kiyoko

False start, ya sleepyhead
I'm caught up in the day with my night dreams
and my mistakes. Tell your vision no, your acting
the little boys go on pretending
they're wide awake. I'll settle on the dust, settle on the dust But I've got better luck in my head
we're just ghosts inside my bed
I've got better luck in my head
playing poker with the dead This side of paradise
This side of paradise
This side of paradise
This side of paradise I'm not here, nor anywhere
I wanna be with you, you're unaware
I'm a paper weight. I fantasize
a secret life and place where we hide
it feels right. I'll settle on the dust, settle on the dust But I've got better luck in my head
we're just ghosts inside my bed
I've got better luck in my head
playing poker with the dead This side of paradise
This side of paradise
This side of paradise
This side of paradise I don't want to be anywhere else
than anywhere else but here,
I don't want to be anywhere else
than anywhere else but here I don't want to be anywhere else
than anywhere else but here,
I don't want to be anywhere else
than anywhere else but here Cus I've got better luck in my head
we're just ghosts inside my bed
I've got better luck in my head
playing poker with the dead This side of paradise
This side of paradise
This side of paradise
This side of paradise
