Black Widow

Isaac Delusion

Black widow
Is no ordinary girl
The taste of her lips is a poisonous gift
It makes you cold as ice
Well that's fair she says
You want it now you're served
You get what you deserveBlack widow
Is a dangerous kind of woman
Sharp is the diamond
When you hold it too tight
Will you handle the pain
Just to keep it in your hand?
Black widow
Is no solitary girl
But doomed were the fools who committed the sin
Of putting their hands
On her venomous skinYou'll never leave me now baby
(You want it now you're served, well, you get what you deserve)
She said.
Well that's fair she said...You'll never leave me now baby
(You want it now you're served, well, you get what you deserve)
She said.
Well that's fair she said...Black widow
Just an ordinary girl
But the taste of her lips is a poisonous gift
It made you cold as ice
Black widow
Is a dangerous kind of woman
Sharp is the diamond
When you hold it too tight
Will you handle pain just to keep it in your hand?You'll never leave me now baby
(You want it now you're served, well, you get what you deserve)
She said...
(Well that's fair she said)You'll never leave me now baby
(You want it now you're served, well, you get what you deserve)
She said...
(Well that's fair she said)I told you
I told you
I told you

You get what you deserve
I told you
I told you
She said...
