Pretty Green (Featuring Santo Gold) Diversion

Mark Ronson

I've got a pocket full of pretty green
I'm gonna put it in the fruit machine
I'm gonna put it in the juke box
It's gonna play all the records in the hit paradeI've got a pocket full of pretty green
I'm gonna give it to the man behind the counter
He's gonna give me food and water
I'm gonna eat that and look for moreThis is the pretty green, this is society
You can't do nothing unless it's in the pocket, oh no
I've got a pocket full of pretty green
I'm gonna put it in the fruit machine
I'm gonna put it in the juke box
It's gonna play all the records in the hit paradeThis is the pretty green, this is society
You can't do nothing unless it's in the pocket, oh noAnd they didn't teach me that in school
It's something that I learnt on my own
That power is measured by the pound or the fist
It's as clear as this, heyI've got a pocket full of pretty green
I'm gonna put it in the fruit machine
I'm gonna put it in the juke box
It's gonna play all the records in the hit parade
I've got a pocket full of pretty green
I'm gonna give it to the man behind the counter
He's gonna give me food and water
I'm gonna eat that and look for moreThis is the pretty green, this is society
You can't do nothing unless it's in the pocket, oh no
(I've got a pocket full of pretty green)
