My Stupid Heart

Shawn Mullins

My stupid heart
Is what I blame
When the arrow flies
With perfect aimIt don't work out
Like I thought it would
My stupid heart
Still thinks it couldMy stupid heart
Believes the lies
The poets tell
Surprise, surpriseGood love goes bad
Falls apart
Oh, so sad
My stupid heartMy stupid heart
Can be so cruel
The way it plays me for a fool
It never learns
You think I've known
My stupid heart
Is kind of slowMy stupid heart
It plays for keeps
Through hoops of fire
It bounds and leaps
It's all for love
Right from the start
That's how it is
My stupid heart
(My stupid)
My stupid heart
(My stupid)
My stupid heart
(My stupid) heart
