

Hello, Hello

The Partridge Family

Hello, hello, I love you so
Yet it all began when I ran into you not so long ago
And since that day I've wanted to say hello, oh, ohHello, would you like to go
To a place with me where we can watch the hours go by?
You're sure someone I'd like to get to get to know, oh, ohI still don't know your name and I, I couldn't care less
I like what I already see
Whatever sign you are or what's your address
Don't really matter much to meJust wanna say hello, hello, I love you so
Yet it all began when I ran into you not so long ago
And since that day I've wanted to say hello, oh, ohHello, hello, hello, helloI still don't know your name and I, I
couldn't care less
I like what I already see
Whatever sign you are or what's your address
Don't really matter much to meJust wanna say hello, hello, I love you so
Yet it all began when I ran into you not so long ago
And since that day I've wanted to say hello, oh, ohHello, hello, hello
Hello, hello, hello
Hello, hello, hello
