

# The Horizon Has Been Defeated (Acoustic)

**Jack Johnson**

The horizon has been defeated  
By the pirates of the new age  
Alien casinos  
Well maybe its just time to say  
The things can go bad  
And make you want to run away  
But as we grow older  
The troubles just seems to stayFuture complications  
In the strings between the cans  
But no prints can come from fingers  
If machines become our hands  
And then our feet become the wheels  
And then the wheels become the cars  
And then the rigs begin to drill  
Until the drilling goes too farThings can go bad  
And make you want to run away  
But as we grow older  
The horizon begins to fade, fade, fade  
Fade awayThingamajigsaw puzzled  
Anger don't you step too close  
Because people are lonely  
And only animals with fancy shoes  
Hallelujah zig zag nothing  
Misery it's on the loose  
Because people are lonely  
And only animals with too many tools  
That can build all the junk that we sell  
Oh sometimes man, make you want to yell that
