Yeah im back
Had to catch a break
& i dick a girl down like everyday
She give me more head than a toupee
And i kiss both lips like two faced
So i took her
To my bat cave
Took her clothes off slow
like a snail race
I make her feel good
Make her feel great
And i dick a girl down like everyday

Good sex
Im in her
From the back
I been there
Then i enter
Real deep in
The neighbors hear my name all weekend
Watch the back girl
Put your booty in
D. U. D. E. Stands for dick you down everyday

Dick you down
Dick you good
Take this dick just like you should
Right now do it good
Take this dick like you should

Im that dude (x5)

Yeah i eat it
But much rather beat it
