Jesus of Suburbia

Green Day

I'm the son of rage and love
The Jesus of Suburbia
The bible of none of the above
On a steady diet of
Soda Pop and Ritalin
No one ever died for my
Sins in hell

As far as I can tell

At least the ones that I got away withAnd there's nothing wrong with me

This is how I'm supposed to be

In a land of make believe

That don't believe in meGet my television fix

Sitting on my crucifix

The living room in my private womb

While the Moms and brats are away

To fall in love and fall in debt

To alcohol and cigarettes

And Mary Jane

To keep me insane

Doing someone else's cocaineAnd there's nothing wrong with me

This is how I'm supposed to be

In a land of make believe

That don't believe in meAt the center of the earth

In the parking lot

Of the 7-11 where I was taught

The motto was just a lieIt says home is where your heart is

But what a shame

Cause everyone's heart

Doesn't beat the same

It's beating out of timeCity of the dead

At the end of another lost highway

Signs misleading to nowhere

City of the damned

Lost children with dirty faces today

No one really seems to careI read the graffiti

In the bathroom stall

Like the holy scriptures of a shopping mall

And so it seemed to confessIt didn't say much

But it only confirmed that

The center of the earth Is the end of the world

And I could really care lessCity of the dead

At the end of another lost highway

Signs misleading to nowhere

City of the damned

Lost children with dirty faces today

No one really seems to careI don't care if you don't

I don't care if you don't

I don't care if you don't careI don't careEveryone's so full of shit

Born and raised by hypocrites

Hearts recycled but never saved

From the cradle to the grave

We are the kids of war and peace

From Anaheim to the Middle East

We are the stories and disciples of

The Jesus of suburbiaLand of make believe

And it don't believe in me

Land of make believe

And I don't believe

And I don't care! Dearly beloved are you listening?

I can't remember a word that you were saying

Are we demented or am I disturbed?

The space that's in between insane and insecureOh therapy, can you please fill the void?

Am I retarded or am I just overjoyed

Nobody's perfect and I stand accused

For lack of a better word, and that's my best excuse To live, and not to breathe

Is to die, in tragedy

To run, to run away

To find, what you believeAnd I leave behind

This hurricane of fucking lies

I lost my faith to this

This town that don't exist.

So I run, I run away

To the lights of masochistsAnd I, leave behind

This hurricane of fucking lies

And I, walked this line

A million and one fucking times

But not this timeI don't feel any shame

I wont apologize

When there ain't nowhere you can go

Running away from pain

When you've been victimized

Tales from another broken homeOh you're leaving

You're leaving

You're leaving Are you leaving home?
