Blue Train

Johnny Cash & The Tennessee Two

There's an engine at the station and the whistle calls my name
It's callin' callin' callin', 'Come and get aboard the train.'
My baby's gone and I'm alone to live in misery
I'm gonna call and make a reservation for meGonna ride a blue train, gonna ride a blue train
Gonna ride a blue train, gonna ride a blue trainI'm gonna climb aboard and ride until I learn to smile
I'll be knockin' out the blues while I'm knockin' out the miles
With my guitar, beat and rythm, to the click-clack of the wheels
I'm gonna sing the blues 'cause that's the way that I feelGonna ride a blue train, gonna ride a blue train
Gonna ride a blue train, gonna ride a blue trainConductor, go and tell the man to shovel on the coal---
It doesn't seem half as bad as long as I can roll
Give me another ticket and I'll stay and ride with you
There's nothing left to live for in this world we're rollin' through
Gonna ride a blue train, gonna ride a blue train
Gonna ride a blue train, gonna ride a blue train
