Never Let Me Go

Basia Bulat

From the moment you say
Faith can never hold you
Yours will be a faithful love
Now, in the way that you walk
And in every single face that you believed in
Long before you see me
Say that you believe me
And never let me go
If now you'll not believe me
Will you ever let me go?
Oh it tears at my sleeves
Every time that I see you
I can hardly carry on
Not without you beside me
You're as careless as me
But time could never find us
Oh, if it could find us now
Would you believe me?
Or would you let me go?
If now you won't believe me
Will you ever let me go?
Never let me go.
No don't let me, never let me go.
Oh it tears at my sleeves
Every time that I see you
I can hardly carry on
Not without you beside me
You're as careless as me
But time could never fight us
No, if it could find us now
Would you believe me?
Or would you let me go?
If now you won't believe me
Will you ever let me go?
