Bell Bottom Trousers

Guy Lombardo

Once there was a little girl who lived next to me
And she loved a sailor boy, he was only three
Now he's on a battleship in his sailor suit
Just a great big sailor but she thinks he's very cuteWith his bell bottom trousers, coat of navy blue
She loves her sailor and he loves her tooWhen her sailor boy's away on the ocean blue
Soldier boys all flirt with her but to him she's true
Though they smile and tip their caps and they wink their eyes
She just smiles and shakes her head, then she softly sighsOh, bell bottom trousers, coat of navy blue
She loves her sailor and he loves her tooWhen her sailor went to sea to see what he could see
She saw that he ate spinach, now he's big as he can be
When he's home they stroll along, they don't give a hoot
She won't let go of his hand, even to saluteIf her sailor she can't find on the bounding main
She is hopeful he will soon come home safe again
So they can get married and raise a family
Dress up all their kiddies in sailor's dungareesOh, bell bottom trousers, coat of navy blue
She loves her sailor and he loves her too
