

Little Texas

David Lee Roth

An armed assailant
A farmer's daughter
Texas pavement
An angry father
Sometimes a straight line
And then
Sometimes you wander My first time in the spotlight
Was from a helicopter
Call the boss of bigtown
Get the riot squad
Tell your star reporter
That he's got himself a job
But no prob bob and murphy
Are two comedians
A little luck and attitude
Cowboys and injuns Hey we ain't playin'
This wild frontier
Can kill you on occasion
From broadway to cheyenne
Aces wild yes we am
Say hello to my best friend Little Texas
Ride to live, live to ride
Let 'em roll one more time
Always keep her by my side
