Wicked (feat. Eric Krasno)

Griz

[verse]
Looking for a savior
Looking for a sign
Walk between raindrops
Till the floodgates open wide
Looking for an angel
Or a hand from up on high
The sun rose on the hill side
Looked like hellfire in the sky[hook]
You gotta run away
Wicked this way comes
You better run away
You better run away
Wicked this way comes[verse]
We thought it was a holy war
It was just a lack of faith
The victory march the soldiers sang
Rang out like acts of hate
It wasn't heaven's Holy water
Only acid rain
We thought that when the rain came down
Our sins would wash away
Would wash away
Wicked this way comes
