Cherry Picking

Girlpool

I was cherry picking
I was cherry picking dreamsI was cherry picking
Did you ever think of me?You are hot and heavy
You were hesitant it seemedWhen I'm cherry picking
I always know you're gonna leave'Cause lovers turn to strangers
Everyone always has to go
Jane she was a dancer
She danced in the afterglowAnd when it all is over
When you are there and I am hereI'll pretend that you care
That I have somehow disappearedIt'll make me feel better
Knowing you watch me like the moonTruth is that I am working
For myself and only meYes I am picking cherries
I have a hard time staying clean
Yes I am picking cherries
I have a hard time staying cleanYes I am picking cherries
I have a hard time staying clean
