

# Keep on Movin

## Five

I woke up today with this feeling  
That better things are coming my way  
And if the sunshine has a meaning  
Telling me not to let things get in my way  
When the rainy days are dying  
Gotta keep on, keep on trying  
All the bees and birds are flying  
Never let go, gotta hold on in  
Nonstop 'til the break of dawning  
Keep on moving don't stop rocking  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay  
Keep on movin' on anyway  
Feels like I should be screaming  
Trying to get it through to my friends  
Sometimes it feels that life has no meaning  
But I know things will be alright in the end  
When the rainy days are dying  
Gotta keep on, keep on trying  
All the bees and birds are flying  
Never let go, gotta hold on in  
Non stop 'til the break of dawning  
Keep on moving don't stop rocking  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay  
Keep on movin' on anyway  
When the rainy days are dying  
Gotta keep on, keep on trying  
All the bees and birds are flying  
Never let go, gotta hold on in  
Non-stop 'til the break of dawning  
Keep on moving don't stop rocking  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay  
Keep on moving on anyway  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay  
Keep on moving on anyway  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay  
Keep on moving on anyway  
Get on up when you're down  
Baby, take a good look around  
I know it's not much but it's okay
