

Swan

Elisa Toffoli

Walking by yourself in the cold, cold winter
 Wrapped up in your coat like
 Its a magic blanket
 You say: "No matter where I go
 They all look like strangers"
 You see, the world only seems
The fairytale that it isnt Dream on, dream on
 Theres nothing wrong
 If you dream on, dream on
Of being a swan But I know you're thinking... And now youre looking at the sky
 Talking to your angel
 Could he turn this dirty street
 Into a flying carpet?
 But then you say: "I am not scared of anything"
Such a shy lie silent as the snow that is fallin down Dream on, dream on
 Theres nothing wrong
 If you dream on, dream on
Of being a swan But I know youre thinking:
 "Am I gonna make it through?"
Dream on, dream on (and you can't run away)
There's nothing wrong (you've got to find a way to make it through this mess)
 If you dream on, dream on ('cause you can't run away)
Of being a swan (you've got to find a way, a way out of this mess) But I know you're thinking: ('cause you can't
 run away)
"Am I gonna make it though?" (you've got to find a way to make it through this mess) Girl on the run (go girl)
 You don't look back (go)
 What did you see? (go girl)
 What did you get? (go girl)
 You're on the run (go girl)
 Trying to forget (go)
 But in the end,
Is it so bad? Girl on the run (go girl)
 You don't look back (go)
 What did you see? (go girl)
 What did you get? (go girl)
 You're on the run (go girl)
 Trying to forget (go)
 But in the end (go girl)
 Is it so bad... (go)

Being a girl?
Being a girl?
