

# Black Is Black

## MC Hammer

Brothers and sisters  
The pride is back Black is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it back You feel inferior  
You wanna be superior  
You imitate the man  
Who don't wanna be dead, ya  
Step to the left  
Look at yourself  
You are you and nobody else  
Your skin is black  
A different shade of brown  
Your tin is too hot  
So I will bring it down  
Can change your voice  
And where you live at  
But the bottom line is, brother  
Black is black Black is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it back The picture is clear  
You got a lot of fear  
Of bein' a black brother  
But we're in here  
Don't run and hide  
Do you have pride  
Of bein' proud about it  
And the inside  
Of you  
My point of view

Real black brothers  
Are very few  
Brown's just a black one  
Black's just a brown one  
Not just a white one  
When we're killin' off the black one Black is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it back Your [?] made more  
It used to be short  
So listen up to another black report  
Old town, city of the black  
We got the [?]  
And it's like that  
You got promoted  
Your head got [?]  
You started sweatin', brother  
And you know it  
It doesn't matter 'bout the [?]  
The bottom line is, brother  
Black is black Black is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it back Don't be silly  
Don't be a jackass  
You are not a white man  
But just a kid  
Ask me questions  
You get answers  
Beat that brother  
Sweatin' like cancer  
Malcolm one  
And [?]  
Yeah, brothers  
They were together  
It doesn't matter where you're from or at  
The bottom line is, brother

Black is blackBlack is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it backSay it loud  
I'm black and I'm proud  
Say itBlack is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it backMan you're in the music biz  
Here's a little pop quiz  
You know how to dance  
But do you dig it  
[?] while you're talkin'  
You're talkin' about me  
What are you doin'  
For our community  
Little kids  
That's lookin' up to you  
They wanna grow up  
And be like ya  
[?]  
In your spare time  
Their skin is colored black  
It's for a life timeBlack is black  
I'm black and I'm proud  
You can't take that  
Don't want to  
Say it loud  
Black is black  
Brothers and sisters  
So we brought it backSay it loud

I'm black and I'm proud  
Say it loud  
I'm black and I'm proud  
Say it loud  
I'm black and I'm proud
