

# Honey & the Moon

Joseph Arthur

Don't know why I'm still afraid  
If you weren't real I would make you up  
now  
I wish that I could follow through  
I know that your love is true  
And deep  
As the sea  
But right now  
Everything you want is wrong,  
And right now  
All your dreams are waking up,  
And right now  
I wish I could follow you  
To the shores  
Of freedom,  
Where no one lives. Remember when we first met  
And everything was still a bet  
In love's game  
You would call; I'd call you back  
And then I'd leave  
A message  
On your answering machine But right now  
Everything is turning blue,  
And right now  
The sun is trying to kill the moon,  
And right now  
I wish I could follow you  
To the shores  
Of freedom,  
Where no one lives Freedom  
Run away tonight  
Freedom, freedom  
Run away  
Run away tonight We're made out of blood and rust  
Looking for someone to trust  
Without  
A fight  
I think that you came too soon  
You're the honey and the moon

That lights  
Up my nightBut right now  
Everything you want is wrong,  
And right now  
All your dreams are waking up,  
And right now  
I wish that I could follow you  
To the shores  
Of freedom  
Where no one livesFreedom  
Run away tonight  
Freedom freedom  
Run away  
Run away tonightWe got too much time to kill  
Like pigeons on my windowsill  
We hang aroundEver since I've been with you  
You hold me up  
All the time I've falling downBut right now  
Everything is turning blue,  
And right now  
The sun is trying to kill the moon,  
And right now  
I wish I could follow you  
To the shores  
Of freedom  
Where no one lives
