Wanna Get With You

Guy

I wanna get with you
'Cause you got a lot
Youre sure enough kicking
Youre looking hot
I wanna get with you
If you got the time
Baby we can swing it
But you gotta make up your mind
Gotta get with you
Wanna make you sweat
I cant wait just to make you wet
And if I get with you
Cant forget the crew
So you can get your girlfriends
And I wanna get you
Im gonna get you(Chorus)
I wanna get with you
I wanna get with you
I wanna get with you
I wanna get with youYo, I wanna get with you
Tell me is that much to ask for
Nothing more than a spare minute
I got time if you wanna get wit it
Whatever you want Ill get it
I got cash now help me spend it
Don't worry if your broke I'll fix it
Like a flat then blow you up wicked
Got the ingredients you need me to mix it
So baby let me go to work
Ill show you how I go to work
Have the whole thing sewed up like a shirt
Give me a chance to just show you
Spend some time I need time to know you
After that were in like the New Jack Swing
Until its through, I wanna get with you(Chorus)(2x)Yo Aaron, take 'em to the bridgeYou got what I want
Your so fine, I cannot front
On my knees begging you please
Ill do anything in the world to get with youI wanna freak you freak you girl
If you think you can rock my world

Bring all the girls to the men with clout
Then we'll see who can bust who out
If I had the chance to get with you
There's nothing in the world that I cant do
Say we get together tomorrow at 2
I wanna get with you
Hmm(Chorus)(5x)
