

# Sorry (Dj K Millz Remix)

Ciara

All I wanna say  
Girl I wanna say  
I'm saying that I'm sorry Ooh ooh, ooh, ooh August 4th, we were chilling at the house  
Said I'm done, I told you to get out  
Didn't mean a word that I said  
Cause I was hoping you would come back 'Cause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
And I tried to fight and I cried to god  
Oh please let it just work  
And I'm going crazy with you  
You got me so confused  
'Cause you walked away, and I walked away  
And we should've stayed baby All you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby I'll do what it takes  
And I will be here all the way baby All you have to do is say that I'm sorry  
Baby I'm sorry You wanna know if I was moving on without you  
I miss you, miss you, miss you, I miss you  
To tell the truth I've thinking bout you lately  
I miss you, miss you, miss you, I miss you Christmas day, you said you had a ring  
But you changed your mind  
Too caught up in the streets  
Boy your truth is hard to believe  
Why are you really scared of me 'Cause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
'Cause I put in mine,  
And worked all the time and you never put in your work  
And I'm going crazy with you  
You got me so confused  
'Cause you walked away, and I walked away  
And we should've stayed baby All you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby I'll do what it takes

And I will be here all the way baby  
All you have to do is say that I'm sorry  
Baby I'm sorry  
You wanna know if I was moving on without you  
I miss you, miss you, miss you, I miss you  
To tell the truth I've thinking bout you lately  
I miss you, miss you, miss you, I miss you  
I miss the way you hold me  
The way you touch me  
I miss the way you kiss me yeah  
All I wanna do, do, do, do, do  
All I wanna do  
Is say that I'm sorry, sorry, sorry, sorry  
So sorry baby  
All you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby I'll do what it takes  
And I will be here all the way baby  
All you have to do is say that I'm sorry  
Baby I'm sorry  
You know I think about you sometimes  
I wonder how you are  
Are you happy  
You see I know  
What we had was special  
And I know you know it too  
I miss you  
I really miss you
