

# So Confused (feat. Butta Creame)

## Pretty Ricky

Ooh, baby baby baby  
Yeah, this one for all da ladies  
I know you'll can relate to this  
Check me out I'm in love wit a girl but she got a man at home  
I'm so confused, I don't know what to do  
I'm in love wit him but he's got a girl at home  
I'm so confused, I don't know what to do I wanna be your friend  
And your love and your own  
I wanna be your friend  
And your love and your own Yeah, Baby Blue, woah  
I need a lady in the streets  
A freak between the sheets  
On the down low freak  
Now baby jump on me Now baby jump up on dis pony  
I'm dealin' wita freak and I'm feelin' horny  
Ride me up and down, side to side  
All night to da mornin' So if ya throw it back keep dat thang tight  
I just might, mess around and eat dat thang right  
Have ya bustin' out berry white  
Sip Kool-Aid from outta your navel Grip dat ass like a hand a play-doe  
Butta dat thang like a baked potato  
Baby Blue, whoa, da ninfo  
And I'm grindin' slow So sit dat thang on my face then ride it  
Before I cum inside it  
I'm so excited  
Girl you taste so good when I lick your body Lemme li-li-lick you  
Then I wanna sti-sti-stick you  
Blue on da regular  
But tonight Ill be your candy licka I'm in love wit a girl but she got a man at home  
I'm so confused, I don't know what to do  
I'm in love wit him but he's got a girl at home  
I'm so confused, I don't know what to do Every time I close my eyes I'm thinkin' 'bout you  
Thinkin' 'bout all the freaky things that we do  
And when you at your climax finna pop  
'Cause my tongue down low lickin' all da right spots When I'm beatin' it, you tell me to stop  
While you, you catch yo breath slowly climin' on top  
Then we, we headed to da showers smellin' like fus and flowers  
Straight to da bed mo' sex for 'bout an hour I could be your friend, I could be your man  
So forget him, you da superstar and I'm your fan

Forever and a day, I'm in love wit a girl  
Who got a man so Pleasure what ya say? I wanna be your friend  
And your love and your own  
I wanna be your friend  
And your love and your own We started off friends, chillin' like a villian love feelin'  
Growing feelings for one another baby girl, I am so willing  
I understand you got a man, but makin' plans to be wit me  
But havin' problems wit dat lame but baby now you playin' games Just the other night you came around wit a  
black eye  
Come to find out your man at home playin' big guy  
It ain't my business and ain't in it, all that noise you can kill it  
I don't feel it but I wanna know who's baby is it I'm so confused and I don't know what to do  
Sometimes I love you but I don't but I do, I'm so in love wit you fool  
I'm so into you when we make love it's beautiful, impossible  
'Cause I ain't gone find nobody like you and I love you girl I'm in love wit a girl but she got a man at home  
I'm so confused, I don't know what to do  
I'm in love wit him but he's got a girl at home  
I'm so confused, I don't know what to do
