

Time to Forgive

Youth of Today

In the back of my mind
it keeps me on edge !
a soul filled with love,
but i can't help
but feel contempt instead
so let's forget the past and
the grudges that we hold
if you don't do it so you
know it will explode.
Let's shape a better way of life!
time to forgive!
i'm sorry for the bottled up anger
what was it about?
it's time to forgive
i'm glad that it's all over now!
