

Written In The Water

Gin Wigmore

I was born by the devil
I was left here to die
I was held up for ransom
On the cold summer skies I was told not to love him
I was told not to try
I was lonely the only
Till he said he'd be mine He will leave me for younger
He will leave me to cry
Cut the knife a little deeper
Count the days I survive Yeah, it's written in the water
Yeah, it's everywhere I go
Telling me that I should leave you
Like I did two times before
I'd be fine if I meant to
When you still have had to roam
Give me one kiss for the road boy
Now it's time I let you go I will run to the river
I will reach for the well
Drown my sorrows in someone
Ann my hope I leave this hell I can't live for forgiveness
I can't live with the lie
I won't be what you wanted
No I won't be what you'd like Yeah, it's written in the water
Yeah, it's everywhere I go
Telling me that I should leave you
Like I did two times before
I'd be fine if I meant to
And you still have had to roam
Give me one kiss for the road boy
Now it's time I let you go Yeah, it's written in the water
Yeah, it's everywhere I go
Telling me that I should leave you
Like I did two times before
I'd be fine if I meant to
And you still have had to roam
Give me one kiss for the road boy
I guess its time I let... Yeah, it's written in the water
Yeah, it's everywhere I go
Telling me that I should leave you

Like I did two times before
I'd be fine if I meant to
And you still have had your own
Give me one kiss for the road boy
Now it's time I let you go
