

Better Be Home Soon

[Kasey Chambers](#)

Somewhere deep inside
Something's got a hold on you
And it's pushing me aside
See it stretch on forever And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon Stripping back the coats
Of lies and deception
Back to nothingness
Like a week in the desert And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon So don't say no
Don't say nothing's wrong
'Cause when you get back home
Maybe I'll be gone It would cause me pain
If we were to end it
But I could start again
Well, you can depend on it And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon And that's why I tell you
You better be home soon
