

# Silence Is Easy

[Starsailor](#)

Everybody says that they're looking for a shelter  
Got a lot to give  
But I don't know how to help her I should just let it go  
'Til they learn how to grow  
And how to liberate Everybody says that she's looking for a shelter  
Got a lot to give  
But I don't know how I felt her They should just let it go  
Till these cities learn to grow  
And how to liberate [Chorus]  
Silence is easy  
It just becomes me  
You don't even know me  
You all lie about me Everybody says that I'm looking for a home now  
Looking for a boy or I'm looking for a girl now  
But I can still let it go  
I can still learn to grow  
Into a child again [Chorus: x4]
