

Happy

Mazzy Star

Fields of light
They hold me inside
Count my stars

They are lucky in the skyThere's a time
When you go off the line
And all my things

Look like someone else's memoriesCold outside, burns a great big hole in my heart

I'll just wait, 'til you're happy
And your smile makes it right

It makes it rightSleep inside, the ocean has smiles
It shimmers and it flows for some people
I know it shines
I know it shines
