It's About Time

Cheryl

I'm asking myself
If living without a feeling is really living
Is heaven everything any good
If everything's all you haveI locked myself away
I became untouchable
Got caught up by the day
Dreamin' of blue skies
Nothin' in my way
Just the person in the mirror
Take me to the flame
It's now or neverIt's about time that I start loving again
It's about time the sunshine touches my skin
I won't give in 'til my heart beats again
Will somebody show me what I've been missing?
Yeah, it's about time that I start loving againFor all that time I was so scared of flying
So I stuck to the running
But I'm not running anymore
I'm dancing my nights awayNow I'm wide awake
I got my eye on the horizon
Watch me fly away
Into the blue sky
Nothing in my way
Just the person in the mirror
Take me to the flame
It's now or neverIt's about time that I start loving again
It's about time the sunshine touches my skin
I won't give in 'til my heart beats again
Will somebody show me what I've been missing?
Yeah, it's about time that I start loving againEach bottled up emotion
Each tear I never cried
I need a big explosion
It's time for me to flyEach bottled up emotion
Each tear I never cried
I need a big explosion
It's time for me to flyEach bottled up emotion
Each tear I never cried
I need a big explosion
It's time for me to flyEach bottled up emotion
Each tear I never cried

I need a big explosion
It's time for me to flyIt's about time that I start loving again
It's about time the sunshine touches my skin
I won't give in 'til my heart beats again
Will somebody show me what I've been missing?
Yeah, it's about time that I start loving againEach bottled up emotion
Each tear I never cried
I need a big explosion
It's time for me to flyEach bottled up emotion
Each tear I never cried
I need a big explosion
It's time for me to fly
