

Jumpin' With Symphony Sid

Joe Jackson

Jumpin' with my boy Sid in the city
Jumpin' with my boy Sid in the city
Mr. President of that DJ committee
We're gonna be up all night gettin' wiggy
We want you to spin the sounds from the city
Far down in the land that's real, real pretty Let everything go real crazy over JZ*
Make everything go real crazy over JZ
Let everything cool for me and my baby
I don't wanna think we're listenin' too lazy
It's gotta be Prez, Bird, Shearing, or the Basie
And now it's all set real clear close to eighty
Let it roll
Let it roll Let it roll
