

Finally Found You

Enrique Iglesias

You know I'm gon' get ya, yeah
Whatever it takes to get there
No, I won't drop you
Like everybody else does Forget about your friends they don't care where we go
If they do, we'll get lost in a crowd of people
I've been looking for you forever baby we go
Together baby we go, we go In this crazy world of choices I've only got a few
Either you're coming with me, or I'm coming with you
'Cause I finally found, I finally found you
You never have to worry if what I say is true
Girl, I've been looking for you
And when I saw you I knew, that I finally found,
I finally found you I'm coming I'll get ya, yeah
We have a connection, that's right
'Cause girl I'm not letting go
I'm gonna make you feel right, oh yea Forget about your friends they don't care where we go
If they do, we'll get lost in a crowd of people
I've been looking for you forever baby we go
Together baby we go, we go In this crazy world of choices I've only got a few
Either you're coming with me, or I'm coming with you
'Cause I finally found, I finally found you
You never have to worry if what I say is true
Girl, I've been looking for you
And when I saw you I knew that I finally found,
I finally found you I finally found, I finally found you Okay, so can I get love, too much to ask for
Really so tough
Find yourself moving with sex of the drums
Got my hands full, grabbin' all these girls, girls
Hands up, hands up, dance floor chillin' while I hold two cups
Can't stop spilling, 'cause I'm drunk as fuck
And my song comes on, and the club goes nuts
Every time the side goes, seems to ya sleep, best that to ya know
Running around, and doing all these shows
Round the whole globe, I come, and you go girl
And you need to think of it
Just wrap for the night, baby live a bit
With a place to hit, and your pants to zip
You can make a scene and party, are you into it In this crazy world of choices I've only got a few
Either you're coming with me, or I'm coming with you

'Cause I finally found, I finally found you Finally finally finally found you

Finally finally finally found

Finally found, I finally found you You know I'm gonna get yeah
