

Stranger Forever

Mattafix

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
Before I move along,
Tell me where I know you from.
Maybe I am mistaken,
Maybe you'll stay a stranger. It's alright,
I'm the innocent type you can talk to.
It's ok,
The inquisitive type don't walk away.
I sing ahhhhhhh.
Make me sing ahhhhhhhh. Familiar vibe within you,
It's what I recognize.
Familiar vibe within you
Makes me sing ahhhhhhh.
Sing ahhhhhhhh. Excuse me where you from?
(Get to know you)
I definitely know you.
(Then I'll show you)
A chance I could be wrong.
(Move along)
And you are a stranger.
Before I move along,
(Get to know you)
Tell me where I know you from.
(Then I'll show you)
Maybe I'm mistaken,
(Move along)
Maybe you'll stay a stranger.
