

# Bend till I Break

[Maria Mena](#)

We're in a bind  
Borrowed time, you were not mine  
But I don't mind 'cause I live on scraps  
Until you come back, until you react I'll make sure that you see how much I can take  
I'll bend and I'll bend till I break  
Till you see how much I can take  
I'll bend and I'll bend till I break  
I'll bend and I'll bend till I break  
Take what you need  
Undress me, I want you to see  
How you make me feel completely alone  
when you are gone, is that what you want? Does that turn you on, to see how much I can take  
I'll bend and I'll bend till I break  
Till you see how much I can take  
Yes, I'll bend and I'll bend till I break  
I'll bend and I'll bend till I break I'll wait for you  
Killing time  
Just see how much I can take  
I'll bend and I'll bend till I break  
Till you see how much I can take  
Yes, I'll bend and I'll bend till I break  
I'll bend and I'll bend till I break  
I'll bend and I'll bend till I break  
I'll bend and I'll bend till I break
