## Hot Chip

Everybody's whistling the Hot Chip sound  
People hear the beat and then their bodies move around  
When the ground's shaking then you know you've felt the bass  
Then the singing starts and they proceed to wreck the placeEverybody's whistling the Hot Chip sound  
People hear the beat and then their bodies move around  
When the ground's shaking then you know you've felt the bass  
Then the singing starts and they proceed to wreck the placeI don't, I don't know the deeds to bring the goods to  
me  
I know we have got the goods to bring them to their knees  
I don't, I don't know the deeds to bring the goods to me  
I know we have got the goods to bring them to their kneesI do proclaim, I do proclaimEverybody's whistling  
the Hot Chip sound  
People hear the beat and then their bodies move around  
When the ground's shaking then you know you've felt the bass  
Then the singing starts and they proceed to wreck the placeEverybody's whistling the Hot Chip sound  
People hear the beat and then their bodies move around  
When the ground's shaking then you know you've felt the bass  
Then the singing starts and they proceed to wreck the placeMaking tracks just like A B C
