[Red.Was.Here](#)

Hey you its no so bad
Why do you have to go round, your feeling sad
The way that you look is the way that you smile
I guess i havn't seen you in such a whileSing With Me
Sing With Me
Sing With Me
Sing With MeDon't let him break your heart
Don't let him make you cry
My darlin'
Don't let him make you shed a tear
Your the only one and i wish you were hereSing With Me
Sing With Me
Sing With Me
Sing With MeDon't let him break your heart (break your heart)
Don't let him make you cry (make you cry)
You are the one that matters
Please just don't ask me whyDon't let him break your heart (sing with me)
Don't let him make you cry
You are the only one (sing with me)
Please just don't ask me whyMy darlin'
