

# If Rain Is What You Want

## Slipknot

It's been years since anyone  
Could be a friend  
It's the fear that kills the feeling  
In the end  
Can we face it?  
Can we shape it?  
Can we really die?  
If rain is what you want  
All you have to do is close your eyes  
Just close your eyes I have watched your resurrection  
Start to crawl  
Is there any chance in hell? (Any chance in hell?)  
Any chance at all?  
Do we need it? Do we see it?  
Is it really there?  
If rain is what you want  
Then take your seats  
Enjoy the fall  
Enjoy the fall (Enjoy the fall)  
The only thing deeper than my last breath  
The only thing darker than my last death  
Is the panic, the static  
I've come back from the dead  
For my solace  
We'll never sleep again In these diamonds  
We're left with colored glass  
As pressure takes its toll  
We will outlast  
But you can't break my heart  
As long as I can be myself  
I'll never fall apart  
And you can't take me in  
If I'm not broken, break me down  
So I will never feel alone again The only thing deeper than my last breath  
The only thing darker than my last death  
Is the panic, the static  
I've come back from the dead  
For my solace  
We'll never sleep again My solace

We'll never sleep againÂ My solace  
We'll never sleep againMy solace  
We'll never sleep againMy solace  
We'll never sleep again
