

# She's a Wind Up (BBC In Concert)

## Dr. Feelgood

She's got a fine lookin' figure  
When she's walkin' down the street  
She gives a quick 'See you later'  
To all the guys she meetsI want to hear her moan when I get her alone  
When the action starts she says 'I got to go home'  
She's a wind up, wind up  
She's a wind up, wind upShe's a wind up, wind up  
For I'd say okay but they don't mean what they say  
She wears the low-cut dresses  
And a high-heeled shoesShe was born to make it  
I was born to lose  
She makes the blackout sounds till the light goes down  
And when I make a move she ain't nowhere aroundShe's a wind up, wind up  
She's a wind up, wind up  
She's a wind up, wind up  
For I'd say okay but they don't mean what they sayFine lookin' figure  
Oh when she's walkin' down the street  
She gives a quick 'See you later'  
To all the guys she meetsI want to hear her moan when I get her alone  
When the action starts she says 'I got to go home'  
She's a wind up, wind up  
She's a wind up, wind upShe's a wind up, wind up  
For I'd say okay but they don't mean what they say  
She's a wind up, wind up  
She's a wind up, wind up
