

Commotion

Triggerfinger

Traffic in the city turns my head around
No, no, no, no, no
Back up on the freeway, back up in the church
Everywhere you look, there's a frown
Co-commotion, yeah, yeah, yeah, com
Co-commotion, yeah, yeah, yeah
People keep on talking, they don't share your ways
Joy, joy, joy, joy, joy
Talk up to the lighthouse, talk up to your dog
There's so much going on and I just can't
Co-commotion, yeah, yeah, yeah, com
Co-commotion, yeah, yeah, yeah, com
Yeah, com
Learning how to get, you're sure you saved some time
Run, run, run, run, run
Rushing to the gym now, rushing to get high
Worrying about the time you saved
Co-commotion, yeah, yeah, yeah, com
Commotion, lot of commotion
Commotion, commotion
