Coming Home Tonight

Rick Astley

I've been waiting for this moment
I've been waiting all my life
I've been waiting for the moment yeah
Till it felt just right
I've been running
I've been hiding
I've been running all my life
I've been scared to face the future
Till it felt just rightAnd the saints came marching in
And the saints came marching in
And the saints came marching in
And I was free again
I was free again
I'm coming home tonight
Waited all my life
I'm coming home tonight
I need to feel aliveI've been holding on to anger
I've been holding on to fear
I've been weighed down by an anchor
So many wasted yearsAnd the saints came marching in
And the saints came marching in
And the saints came marching in
And I was free again
I was free again
I'm coming home tonight
Waited all my life
I'm coming home tonight
I need to feel alive
I've been waiting for this moment
I've been waiting all my life
I've been waiting for the moment yeah
Till it felt just rightAnd the saints came marching in
And the saints came marching in
And the saints came marching in
And I was free again
I was free againI'm coming home tonight
Waited all my life
I'm coming home tonight
I need to feel alive

I'm coming home tonight
Been running all my life
I'm coming home tonight
I need to feel alive
