

Mrs. Greenback

Homebound

You know she moves like no other
Her body's swingin' in a way that screams out my name
Don't see no sign for her brother
Her mama raised her and she knows that she plays no games
Why don't you go and move in closer
All I ask for is a dance no there is no shame

I know you're fallin', in fact you're crawlin'
I know we all did the same
She's so seductive with lips so addictive
You better make her rise for fame

Chorus:

Don't stop spendin' from your pot
Are you crazy don't you know that you'll break her heart
Chop chop to your bank account, cause you can never cut the flow, cut the flow

So now you know Mr.Bigshot, you don't really make her laugh no it's all a play
The way you talk and you treat her, no it's the jewels and your car that drive her insane

Yet you're still fallin', in fact you're crawlin'
I know we all did the same
Now she's just ballin', and she's got us brawlin'
She'll steer us right her way

Chorus:

Don't stop spendin' from your pot
Are you crazy don't you know that you'll break her heart?
Chop chop to your bank account, cause you can never cut the flow, cut the flow (x2)

Cause I, thought that i have found the one, in her
But she went ahead and shot me with a gun, oh it hurts
But I, I made her shine so bright like a star down on earth
I guess it's not the kind of shine she wants, on her

Chorus (x2)
