

Spoonbread (feat. Warren Storm)

The Lil' Band O' Gold

Pass me down that spoonbread baby
You ain't eatin' like you know you should
 Got a lil' peas got a lil' gravy
Pass me down that poon now baby
It ain't money but it sure tastes good

Well I got out at the Sabine River
 Sabine River turnaround around
I caught my death lord it made me shiver
But I started walking from the Sabine River y'all
 Sabine River turnaround around

Kick a lil' stone walkin' on home
Sing a lil' song that's mine all mine
I've got no call to make me roam
 Miles to go heading on home
Hit a lil' number that's mine all mine all mine

Well I ain't ever gonna leave Louisiana
 Leave Louisiana my home my home
The freeze ain't hard the heat don't matter
 Raise a glass to sweet Louisiana
 Louisiana my home my home

And I ain't ever gonna leave my baby
Two parts mean but you're mine all mine
Ain't no doubt that I would of gone crazy
 If I hadda never found you baby
Rockin' lil' Rhonda you're mine all mine

So pass me down that spoonbread baby
You ain't eatin' like you know you should
 Gotta lil' peas gotta lil' gravy
Pass me down that poon now baby
It ain't money but it sure tastes good
