

# Let's Call It Off (Single Mix)

Peter Bjorn and John

When you decided to knock on my door  
Did you remember what happened before  
It just didn't sparkle it just didn't glow  
Some things are not better inside of the store  
Did you agree we should let it be  
And did you agree  
It's a must  
Let's call the whole thing off  
Will you still have enough of us  
Let's call the whole thing off  
Will you still have enough of us  
I know many people who act the same way  
Relations that lasted for more than one day  
But I don't wanna know why we couldn't do more  
Some thing are not better to leave unexplored  
Did you agree we should let it be  
And did you agree  
It's a must  
Let's call the whole thing off  
Will you still have enough of us  
Let's call the whole thing off  
Will you still have enough of us
