

# WAITING TOO LONG

## Hippie Sabotage

Oh Oh Oh Oh Oh Oh  
I've been waiting too long  
Oh Oh Oh Oh Oh Oh  
I've been waiting too long  
X2I've hit a wall  
I can't look past it  
Nothing at all  
Nothing to mask it but  
It feels so drastic but  
I cannot panic so  
I get my chance to go  
And hit that fucking roadOh Oh Oh Oh Oh Oh  
I've been waiting too long  
Oh Oh Oh Oh Oh Oh  
I've been waiting too long  
X2I can't tell at all  
If I need to run back  
And I can't speak at all  
If I Cant Come Back So  
I Just Need To Find My Zone  
I Just Need To Find My Om  
I Just Need To Find My Throne  
I Just Need To Find My HomeChorusOh Oh Oh Oh Oh OH  
I've been waiting too long  
Oh Oh Oh Oh Oh Oh  
I've been waiting too long
